ABOUT
KYIV

Versatile, with a signature hallmark of heartfelt passion and high energy across genres, Kyiv woos his audiences with sweet contemporary sounds of Reggae, Soca, R & B, Pop and more. After years of training and performing at a variety of events, luxury villas, five-star restaurants and hotels, Kyiv is ready to take the world by storm!

The years following high school saw Kyiv's musical career kick into high gear. He has shared the stage with top regional and international artists including Busy Signal, Skinny Fabulous, DJ Puffy, Mapy, Nessa Preppy, Patrice Roberts and more. Locally, he has been kept busy with his band Steel, Brass and Blues, or sitting in with bands and artists such as Omalie360, Omari Banx, and Boss & the Horsepower Band.

His proudest moment as a performer occurred in April 2018 when he, along with two childhood friends, played together at the much-revered Carnegie Hall in Manhattan, as a reward for capturing second place in The American Protégé Competition - Woodwinds and Brass Division.
